

# CONCEPT SG

REF.NO. 2C33800

Hot forged light alloy HMS carabiner with screwgate, conceived for use in trad climbing, sport climbing and alpinism in general.

Main features:

- especially recommended for use with belay devices;
- ample inside space for use with the Munter hitch and for rope maneuvers on the belay station;
- emphasized double T beam construction, for an optimal weight / strength ratio;
- light and shaped, for a better grip;
- catch-free clean nose to avoid snagging when clipping and unclipping.

   Light Blue / Silver / Grey (2C33800WNE)

 Silver (2C33800XTB)
